- **Showcase** your commitment to healthcare professional wellness including mental health and substance use recovery.
- **Stand out** in the mobile app with your logo, description, contact info, links, and one-on-one messaging.
- **Attend** key educational sessions and deepen your understanding of professional health programs and treatment of healthcare professionals.
- **Network** with attendees before, during, and after the event.
- **Amplify** your presence with pre-designed social media content to promote your booth.

Your exhibitor package includes conference registrations (based on exhibitor level) and access to all sessions and events.

Join us and be part of the movement advancing healthcare professional wellness.

EXHIBITOR ATTENDEES INVITED TO ALL EDUCATION SESSIONS

The field of physician health is rapidly evolving. Now, more than ever before, our professional health program (PHP) members serve other health professionals in addition to physicians.

PHPs and treatment strategies are growing, changing, and adapting in response to the needs of professional and medical communities nationwide. Assuring the health of professionals requires a commitment to collaboration, forward-thinking, and empowerment of others. We will be discussing how PHPs can expand their reach to target populations, broaden their program's resources and services, and address quality/performance to improve effectiveness.

Up to 16.25 Hours of Education Credits for Physicians, Nurses, Pharmacists, Psychologists, Social Workers, and Dentists.

This activity has been preapproved for the following accreditations:

- AMA PRA Category 1 Credit™ for Physicians
- ANCC CE for Nurses
- ACPE CE for Pharmacists
- APA CE for Psychologists
- ASWB ACE for Social Workers
- ADA CERP CE for Dentists

OBJECTIVES

The FSPHP 2026 Education Conference will focus on the following education objectives:

- Identify the next generation of prevention and outreach strategies for healthcare professionals.
- Examine the day-to-day operation of PHPs by assessing their positive benefits, as well as the challenges that impact desired outcomes.
- Examine and propose practices to improve confidentiality, reduce stigma, and remove barriers for help-seeking to increase utilization of PHPs.
- Share and propose exemplary administrative, funding, legal, health, accountability and verification (including toxicology testing), and case-management policies and approaches that increase access to care, improve the participants' experience seeking services and/or seeking health, accountability and verification, and contribute to evidence-based outcomes.
- Demonstrate how research, public relations, and outcome reporting foster an increased understanding of the benefits of PHPs and the significance of health and wellbeing initiatives.
- Describe and compare the unique characteristics of the evaluation and treatment of healthcare professionals through a safety-sensitive lens that positively impacts health and well-being outcomes and public safety.
- Compare and discuss how PHPs interface with institutional wellness programs.

WHAT PAST EXHIBITORS SAY

"There were a number of opportunities to interact and discuss. Staff were readily available."

"It was great to connect with other new sponsors, as well as to hear from sponsor veterans."

"Just a great learning opportunity for people. Thank you and we sincerely look forward to future involvement."

"What an AWESOMELY coordinated conference. 11/10 stars!"

"The Federation of State Physician Health Programs' conference is a consummate experience in collaborating with Physician Health Program providers and in understanding the challenges they face in protecting professional licensure. This is a conference that offers opportunity for true collaboration and trust relationships to develop between state monitoring programs and treatment providers."

WHAT PAST ATTENDEES HAVE TO SAY

"As someone who entered the PHP world in January of this year, it was amazing to meet PHP staff members from across the country and meet representatives from the treatment centers that my PHP works with."

"Meeting so many wonderful people, learning about the important work PHPs do to help and advocate for healthcare professionals and meeting counterparts at other programs which they were very helpful too."

"The opportunity to learn from and connect with others who are engaged in PHP work — the sessions I attended were practical and I took away learnings that can be directly applied to improve my PHP."

"The FSPHP conference is great. I always love coming and connecting with the exhibitors. Everyone is welcoming!"

"Of all the conferences I attend, this is the one where there is the most honesty, support, and lack of one-upmanship one so often sees. It is true collegiality, and I am so grateful for all the people who make it happen!"

The FSPHP's mission is to support physician health programs in improving the health of medical professionals, thereby contributing to quality patient care. Our entire conference is centered on this mission and the purpose is to provide a forum for education and exchange of information among state health professional programs; to develop common objectives and goals; to develop guidelines; to enhance awareness of issues related to the health and well-being of healthcare professionals; to provide advocacy for physicians and their health issues at local, state, and national levels; and to assist state programs in their quest to protect the public.

Housing Alert

The FSPHP Annual Education Conference is NOT affiliated with a housing company. Please be careful if approached by any company or service claiming to be an official housing provider for FSPHP. FSPHP offers the guaranteed lowest rate available. In the past, FSPHP has been made aware of travel companies that are entirely fraudulent, misleading exhibitors and attendees with false information. Please note that you can ONLY book a room in the FSPHP block by using the booking information on the FSPHP Conference webpage. If you are contacted by a housing company trying to sell hotel rooms for this conference, please contact FSPHP at jhernandez@fsphp.org.

GENERAL EXHIBITOR AGREEMENT INFORMATION

Securing an Exhibitor/Sponsor Level

Exhibitor/Sponsor Levels are confirmed and secured once the completed FSPHP 2026 Exhibitor Registration Form has been received. Payment is due within 30 days of receiving your completed FSPHP 2026 Exhibitor Registration submission to secure your commitment to your selected Exhibitor Level. **Please be advised that your staff will still need to register as attendees once attendee registration opens in December.**

Indemnification

The exhibitor agrees to indemnify and hold harmless the FSPHP, its officers, directors, agents, and employees from any and all claims of liability of third parties arising out of or related to the acts of omissions of the exhibitor in connection with the exhibitor's participation in the FSPHP 2026 Annual Education Conference.

The exhibitor assumes entire responsibility against all claims, losses and damages to persons or property, or caused by exhibitor's installations, removal, maintenance, occupancy or use of the exhibition premises or a part thereof, excluding any such liability caused by the sole negligence of the hotel, its employees and agents.

Exhibiting Limitations

The FSPHP reserves the right to stop or remove from the conference any exhibitor, or its representative, performing an act or practice when in the opinion of conference management is objectionable or detracts from the dignity of the conference or is unethical to the business purpose of the conference. Conference management reserves the right to refuse admittance of exhibits or materials to the conference until all dues and fees are paid in full. No exhibitor shall hold any social event to which attendees are invited or entice attendees off the conference floor during official conference hours.

Staffing of Booths

As a courtesy to our attendees, all exhibits must be open on time and remain staffed each day during conference hours. Exhibitors are only required to staff their booths during dedicated hours. Staffing is optional outside of dedicated hours—the hotel urges exhibitor representatives to exercise precautions to discourage theft.

Exhibit personnel may not enter, photograph, or video another exhibitor's booth without obtaining permission. This is out of respect for the rights of other vendors to conduct business during the exhibit hours without interference or improper intervention. The FSPHP, its representatives, and its staff shall have free access to any exhibit at all times in the performance of their assigned duties. It is against FSPHP's policy to "share" booth space. Each company that desires to conduct business at the FSPHP Annual Education Conference must be an exhibitor or sponsor at the conference.

Exhibitor Attendee Passes

Each exhibitor receives a designated number of complimentary attendee registrations that is determined by the Exhibitor Level

(see page 6). These passes are an "all-access pass" and are to be used for both booth personnel and conference attendance. These passes are not in addition to booth personnel passes. Additional registration passes are available at a discounted rate.

Damage to Hotel Property

Exhibitors will be held responsible for any damage done to the hotel by them, their employees, or their agents. No nails, tacks, or screws may be driven into the floor, wall, or woodwork of the building.

Insurance

In accordance with the FSPHP's General Liability Coverage Policy, it is required that exhibitors submit a certificate of Commercial General Liability Coverage, naming Federation of State Physician Health Programs as an additional insured on your organization's policy, written with a single limit of \$1,000,000 per each occurrence and an aggregate limit of at least \$2,000,000. This is something that your insurance provider can typically provide to you.

Your Certificate of Insurance in naming FSPHP as an additional insured should read:

RE: FSPHP 2026 Conference and Annual Membership Meeting, Hilton Baltimore Inner Harbor, April 29–May 2, 2026

Federation of State Physician Health Programs (FSPHP) is listed as an Additional Insured on the General Liability with regard to the above-referenced meeting.

**Federation of State Physician Health Programs (FSPHP)
668 Main Street, Suite 8, #295, Wilmington, MA 01887**

Please email your Certificates of Insurance as specified above to Jennifer Hernandez at jhernandez@fsphp.org.

Loss or Damage

All property of the exhibitor remains under the exhibitor's custody and control while in transit to and from the hotel, during installation and removal, and while it is in the confines of the hotel.

Neither FSPHP, the hotel, nor any other of the officers, directors, agents or employees of any of the same are responsible for the safety of the exhibitor's property from theft, damage by fire, accident, vandalism or any other causes, and the exhibitor expressly waives and releases any claim or demand against any of them by reason of any damage to or loss of any property, except where the damage or loss is due to gross negligence or willful misconduct of the person or entities mentioned above, their agents or employees.

Cancellations

All cancellations must be received in writing. Please see below for the cancellation schedule:

- Received before January 31, 2026—Full refund less a \$50.00 processing fee.
- Received February 1 through February 28, 2026—50% refund less a \$50.00 processing fee.
- No refunds after March 1, 2026.
