FSPHP Confers FSPHP Evaluation and Treatment Accreditation (FSPHP-ETA™) Upon CSMN Operations LLC, DBA All Points North Lodge

ALL POINTS NORTH

[CSMN Operations LLC, DBA All Points North Lodge](#), has been awarded the prestigious [FSPHP-ETA™ Accreditation](#), recognizing its commitment to excellence in evaluation and treatment services for medical trainees, physicians, and other healthcare workers in safety-sensitive occupational roles. This three-year accreditation affirms national standards in healthcare professional care through a valid, reliable, and rational assessment.

"Achieving FSPHP-ETA™ Accreditation reflects our deep commitment to restoring and sustaining the health, integrity, and careers of healthcare professionals. At All Points North, our medical and clinical teams approach every evaluation and treatment plan with rigor, compassion, and accountability. We understand that these professionals dedicate their lives to caring for others, and when they require support, they deserve the highest standard of care. We are proud to partner with FSPHP in advancing excellence across healthcare professional programs nationwide." - Philip Hemphill, PhD

[CSMN Operations LLC, DBA All Points North Lodge](#), is among the first treatment centers nationally to achieve FSPHP-ETA™

accreditation, demonstrating full compliance with standards.

Treatment centers participate in FSPHP-ETA to:

- Distinguish qualified entities that evaluate and treat healthcare workers in safety-sensitive roles.
- Enhance the effectiveness of evaluation and treatment processes to optimize outcomes.
- Demonstrate to the public a program's dedication to high standards of quality care for safety-sensitive healthcare professionals.
- Promote the sharing of best practices to enhance transparency, accountability, consistency, and excellence while identifying opportunities for improvement.

This milestone comes at a pivotal time when the need for specialized, high-quality healthcare professional evaluation and treatment services is greater than ever.

For more information about [CSMN Operations LLC, DBA All Points North Lodge](#), or to learn how CSMN Operations LLC, DBA All Points North Lodge, is advancing physician wellness, visit <https://apn.com> or contact Dr. Amy Robertson, Professionals Program Director, at arobertson@apn.com.

The FSPHP-ETA™ program is exclusively for entities that provide evaluation and/or treatment services to healthcare workers in safety-sensitive occupational roles. Treatment and evaluation experts and programs with a specialty in healthcare professionals in safety-sensitive occupational roles may apply for FSPHP-ETA™ accreditation. FSPHP PHP Policy Library - Strengthening PHPs Through Shared Policies

FSPHP invites all PHP members to contribute to the **PHP Member Policy Library** by sharing **full or partial policy manuals**, including administrative, clinical, monitoring, compliance, governance, and operational policies.

This shared resource is built on a simple principle: **when you contribute, everyone benefits—including your own program.** By giving your policies, you gain access to a broader, richer library of real-world examples developed by peers across the PHP community.

Why Participate?

Member log-in is required.

By contributing your policies, you help to:

- Advance best practices across the full spectrum of PHP operations
- Support new and evolving PHPs with practical, field-tested policy models
- Encourage consistency, transparency, and innovation while respecting program diversity
- Create opportunities for peer learning, comparison, and continuous refinement

Whether your policies are newly developed, recently revised, or time-tested, they provide valuable insight that strengthens the collective knowledge and effectiveness of our field.

How to Share

Please email your policy manuals or selected policy sections to SSAVAGE@FSPHP.ORG
