

**2026-2028**

---

**FSPHP Board of Directors Statement of Interest**

---

**Name:** Mark Albanese MD

**Title:** Medical Director

**Organization:** Physicians Health Services - Massachusetts Medical Society

**Board Position on the 2026 – 2028 Ballot:** Northeast Regional Representative

**Why do you have an interest in serving on the FSPHP Board of Directors as a Board member or officer?**

I am interested in continuing to serve on the FSPHP BOD because I have enjoyed working with my colleagues from across the nation and I would like to continue to work on some of the projects that are in process, including greater adoption of the PEER and ETA initiatives and pursuit of more diverse funding sources.

**What is your vision for the next 2-3 years for the organization? (Please include any thoughts on objectives for accountability, consistency, and excellence measures, as well as funding initiatives.)**

I hope that within the next 3 years FSPHP will have adapted to meet the increasingly complex and challenging health needs of physicians in the United States, Canada, and beyond North America. Two specific areas that I envision being more firmly established are: 1) PEER and ETA - adopted by the majority of PHPs and programs to which PHPs refer, respectively; 2) Funding - the existence of a diverse network of funding strategies that puts FSPHP on firm grounding to meet the health challenges of physicians in the 21st century.

**What skills do you bring to the organization?**

I believe that the most pertinent skills that I bring to this endeavor are a sincere commitment to collegiality and collaboration, and a healthy sense of humor.
