FSPHP Board of Directors Statement of Interest

Name: Becky Carlson LMHC

Title: Program Coordinator

Organization: Iowa Professional Health Program - Dental, Pharmacy, & Professional Licensing

Board Position on the 2026 – 2028 Ballot: Central Regional Representative

Why do you have an interest in serving on the FSPHP Board of Directors as a Board member or officer?

What an honor to be nominated! I didn't expect that, but I am willing to jump in with 2 feet! Serving as a Board member would not only be an honor, but it would also be interesting. I have worked with the Iowa PHP for over 7 years, and making a difference in just one person's life is what I am passionate about. If being a Board member with FSPHP can help continue the mission of the Iowa PHP and PHPs throughout the country, then I'm all in!

What is your vision for the next 2-3 years for the organization? (Please include any thoughts on objectives for accountability, consistency, and excellence measures, as well as funding initiatives.)

I currently serve on the Planning Committee for the upcoming Annual Conference and I would love to see the growth of the conference to include other professions, such as dentists and pharmacists. We have been making strides towards this goal and I would love to be a part of this as it continues. In regards to funding initiatives, I would love to explore other avenues to support FSPHP in moving the mission forward.

What skills do you bring to the organization?

I am passionate and compassionate about the work that we do and the professionals that we work with. I work well under pressure and in a team, but I am also good at working on long-term projects and individual work. My life experiences have taught me to never take a moment for granted and I live my life that way as well.
