PLAN TO ATTEND THIS YEAR'S EVENT:

The FSPHP would like to invite you to join others in the field who have made a decision to attend the 2019 Federation of State Physician Health Program's (FSPHP) Annual Education Conference: *Perplexing Problems and Effective Solutions For Treating and Monitoring Healthcare Professionals*. Our annual conference is attended by over 250 state physician health program administrators, care providers, and allied health professionals dedicated to the purposes of the FSPHP and its member state programs. This is a unique opportunity to network with professionals dedicated to issues of physician well-being, including the treatment of substance use disorders and mental health illness facing physicians and other licensed health-care professionals in the United States, Canada, and other parts of the world.

The FSPHP is a nonprofit corporation whose purpose is to provide a forum for education and exchange of information among state physician health programs; to develop common objectives and goals; to develop guidelines; to enhance awareness of issues related to physician health and impairment; to provide advocacy for physicians and their health issues at local, state, and national levels; and to assist state programs in their quest to protect the public. Our mission is to support physician health programs in improving the health of medical professionals, thereby contributing to quality patient care.

EDUCATION SESSION OBJECTIVES:

We are pleased to introduce to you our timely educational objectives designed to address emerging issues facing the health profession:

1. Identify the prevalence, nature, and how to diagnose and treat health care professionals at risk of substance use disorders including those with attention deficit hyperactivity disorder.
2. Describe strategies to address key sources of stress, burnout, suicide risk in physicians, as well as ways to improve fulfillment and well-being on the individual and organizational level.
3. Discuss current legal issues effecting PHPs including confidentiality, peer review, 42 CFR, ADA, HIPAA, and licensing questions.
4. Identify PHP best practices by examining successful models for recognizing, evaluating, referring to treatment, and monitoring of aging, boundaries, and determining fitness for duty.

WHO SHOULD ATTEND:

The program is designed for physicians of all specialties, physician assistants, attorneys, program developers, physical therapists, case managers, nurses, licensed social workers, toxicologists, scientific researchers, and clinical coordinators involved in physician health programs.

OPENING NIGHT SILENT AUCTION, Wednesday, April 24, 6:00 pm - 8:30 pm:

FSPHP will feature a Silent Auction at our Opening Night Dinner, in the Exhibitor Hall for all conference attendees and exhibitors. Proceeds will benefit the Federation of State Physician Health Programs' mission to support physician health programs in improving the health of medical professionals, thereby contributing to quality patient care. To donate an item, contact **Marlene Hall** at mdhall@wvmphp.org. All donors and items will be recognized at the event on the item display and on our conference application available to all attendees. **Donation deadline: April 10, 2019.** *On behalf of the FSPHP, thank you for considering a donation and/or for your support through attendance at our Opening Night Event and Silent Auction.*

POSTER SESSION RECEPTION, Thursday, April 25 at 5:30 pm:

Join us with Poster Session presenters on Thursday April 25 at 5:30 pm. Posters will be available for viewing all day Thursday, April 25th and Friday, April 26th.

DINING WITH THE FSPHP, Friday, April 26 at 6:30 pm:

Join us out for a social event intended to provide added relaxing time to engage and network with your colleagues.

*** A separate fee applies during registration of \$75.00 per person to cover the venue, dinner, and bussing.**

11:00 am - 11:30 am	Travel Back to FSPHP SESSION	Board Bus Outside Omni
11:30 am - 12:30 pm	*General Session IX State Medical Boards and PHPs Next Steps to Improve Physician Wellness <i>Arthur S. Hengerer, MD, Thomas Mansfield, JD, and Doris Gunderson, MD</i>	Brazos Ballroom, Mezzanine Level
	Wellness and Resilience continue to remain at the forefront for physicians as they strive for control of the increase in burnout in their lives. It is now evident that 90% of this problem is system generated. One disruptive area in the system is the regulators and the potential role they play in the stigma that prevents seeking care. The presentation will discuss steps being taken from multiple workgroup meetings involving state boards, state medical societies and PHP to lessen their negative effect. Included is how the PHPs are working with the other organizations to impact the process that is developing.	
12:30 pm	Exhibitor Drawings and Closing Remarks <i>Linda Bresnahan, MS, Doris Gunderson, MD and Martha E. Brown, MD</i>	Brazos Ballroom, Mezzanine Level

CONFERENCE INFORMATION

HOTEL ACCOMODATIONS:

Guests may book their reservations by either:

~Following this link: [Book your group rate for Federation of State Physician Health Program](#)

~Calling the Marriott reservation line 800-433-5677 and requesting a room under the FSPHP or Federation of State Physician Health Program (1 King Bed or 2 Queen Beds are discounted at \$209 plus taxes per night).

TRANSPORTATION:

To the hotel, Dallas/Fort Worth International Airport (DFW) is about 25 miles and Dallas Love Field (DAL) is approximately 35 miles. Taxi and shuttle service are available from both airports by Super Shuttle at www.supershuttle.com for approximately \$35-\$45 per person. AJL International offers rates for groups, 800-546-6508, option 2 (Reservations). Cab fare from the Airport to The Renaissance Worthington is approximately \$65.

ELECTRONIC RECORDINGS AND PHOTOGRAPHS:

Registration for, attendance at, and/or participation in the 2019 FSPHP Annual Meeting constitutes acknowledgement by the registrant/attendee/participant that photos and video/audio recordings may be made of the conference events and constitutes agreement by the registrant/attendee/participant that the Federation of State Physician Health Programs (FSPHP) may use and distribute in its publications, on its web-site, and in the conference proceedings, such photos or recordings that include the image or voice of the registrant/attendee/participant. Individual recordings (audio or visual) of any portion of the meeting are strictly prohibited without the prior written consent of the FSPHP. By participating in the Annual Meeting, the registrant/attendee/participant acknowledges that he/she agrees to these stipulations.

PROGRAM MATERIALS:

Complimentary internet is available within our meeting space. Attendees are encouraged to bring a fully-charged laptop computer or other electronic devices with them to the meeting, as program materials and presentations for this year's event will be provided electronically and available on the Event Mobi application. Attendees are also encouraged to download the FSPHP Event Mobi mobile app to their smartphone or tablet. The app will be available for download in early April 2019.
